Dear School/Home School Administrator:

The Pop Warner Little Scholars, Inc. (PWLS) program is the oldest and largest youth football, cheerleading and dance organization in the United States. What makes PWLS unique among other youth sports organizations are its requirements for participants to maintain satisfactory progress in their academic studies. Our goal is to build sound minds and bodies for our leaders of tomorrow.

While we realize not all of our participants meet our scholastic standards, we are taking steps to monitor their grades and help them improve in their scholastic areas of difficulty. We do not want to penalize any of our participants by not allowing them to take part in the program, so we are asking you, the school officials, to help us determine if participating in the Pop Warner program **WOULD** or **WOULD NOT** benefit this child.

Please take a moment to fill out the section below. By signing this form, you and/or your school will not be held accountable for the participation of this child. This form will help PWLS monitor the progress of the child throughout the season. This is just a step in the right direction for aiding and assisting these children at both the school level and the recreational level.

Thank you for your support.  
Pop Warner Little Scholars, Inc.
